

9th Korea–Japan Symposium on Materials & Interface

October 31 – November 3, 2010, Yeosu, Korea

Organized by Division of Materials, KICHe
Honam Leading Industry Office

The Organizing Committee cordially invites you to participate in the 9th Korea-Japan Symposium on Materials and Interface to be held on October 31 ~ November 3, 2010, in Yeosu, Korea. The main objectives of the symposium are to share the latest research results, to exchange ideas and to boost the cooperative relations among chemical engineers, chemists, and materials scientists and engineers of the two countries. The scope of the symposium will cover all aspects of materials researches in chemical engineering, chemistry and materials science and engineering.

Chinho Park & Kee-Suk Nahm, Symposium Co-chairs

Call for Papers

The symposium consists of oral and poster presentations. Contributing authors are requested to submit a one-page pdf-formatted abstract that includes the title of paper, author(s) and e-mail address of the corresponding author, and affiliations. The extended abstract should be submitted to Prof. Pil J. Yoo (zerok03@skku.edu) by e-mail with notifying the author's preference on the presentation style, oral or poster. Tentatively, the abstract should be received no later than September 18, 2010.

Symposium Topics

(1) Materials Synthesis & Processing

- Carbon nanotubes and graphenes
- Nanoparticles

(2) Polymeric & Biomaterials

- Block Copolymers Engineering
- Polymeric Hybrids & Composites
- Biomaterials & Bioprocessing

(3) Catalysis and Reaction Engineering

- Catalyst Design & Synthesis
- Interfacial Engineering

(4) Applications for Electronic & Energy Devices

- Organic Devices (OLED, OTFT)
- Solar Cells (Si, II-VI, III-V, OPV, DSSC)

Programs (Tentative)

* Plenary Lectures (Partial List)

- Hong H. Lee (Seoul National University, Korea)
- Seong Ihl Woo (KAIST, Korea)
- Shin R. Mukai (Hokkaido University, Japan)
- Masato Yamamura
(Kyushu Institute of Technology, Japan)

Schedule (Tentative)

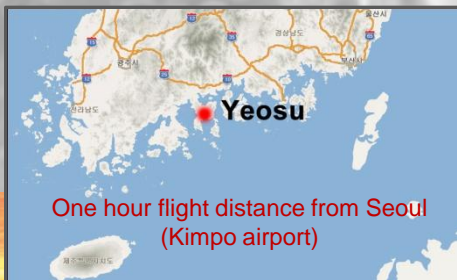

- Oct. 31st (Sun): Reception and Banquet
- Nov. 1st (Mon): Symposium (oral and poster)
- Nov. 2nd (Tue): Visiting Hanwha Chemical
& Excursion around Yeosu
- Nov. 3rd (Wed): Meeting and Farewell

Important Dates

- Call for papers : 1st circular distribution (June 2010)
- Finalization of the invited speakers:
2nd circular distribution (August 2010)
